Messer

We've known your contact from U.S. Flexible packaging Converters Directory and we would like to introduce at your kindly attention our company located in the south of Italy.

From Salerno and Napoli ports we can ship 20" or 40" FCL container for all over the world and thanks to our core position by truck we can reach all countries in the north, middle and east Europe with complete 24 tons or partial quantities.

Our factory consist on 20.000 square meters with 70 employees and an annual turn over of 15.000 tons.

**Extrusion coating machine r.w. cm. 170 and cm. 250.**

Our mainly job dedicated to the export market is the production **of LDPE coated paper (Polyethylene coated paper - Alu Laminate complex)** for wrapping and packaging for foods, industrial applications and flexible packaging.

We produce reels and sheets in all sizes required, with different kind of papers like: Mg bleached/unbleached kraft, 1 side clay coated, MF White and Brown kraft papers etc..

We're particularly specialised and engaged in low grammages.

We can supply:

- Paper + polyethylene/polypropylene in reels/sheets also with printing
- Paper + glue + Aluminium with NC laquering and possibility to extrude Polyethylene on both sides
- Paper + polyethylene + Aluminium and possibility to extrude Polyethylene on both sides

We look for contacts in your country for this kind of market.

If interested don't hesitate to contact us.
